Subject: LSJ - GSJ Storage Containers

Jeffrey

Erika has not responded regardi=g Placement of 20 ft storage Containers on GSJ Our plan was to p=ace 2 Containers on LSJ and 3 on GSJ I can not see any issue wit= having containers on GSJ, they will movable, NOT connected to any utility= also as perviously outlined there has been no mention or direction to rem=ve the existing container on GSJ which belongs to Expert builders We can obtain 5 x containers for \$1900.00 each, or 2 Containers for \$2000=00

How do you wish to proceed, containers for bot= or just LSJ?

regards Brice
