Erika has not responded regarding Placement of 20 f= storage Containers on GSJ

Our plan was to place 2 Containers on L=J and 3 on GSJ

I can not see any issue with having containers on G=J, they will movable, NOT connected to any utility, also as perviously outl=ned there has been no mention or direction to remove the existing container=on GSJ which belongs to Expert builders

We can obtain 5 x contain=rs for \$1900.00 each, or 2 Containers for \$2000.00
