good.

Texting back and forth with Deepak earlier today. He and I are both interested in exploring paths to higher awareness. At IAS, I am working with Piet Hut on expanded awareness - we spend 2 hours each week walking in the woods there, reflecting on how humans can stand on the shoulders of groups of giants (or use machines and new concepts) to "see further" or probe more deeply. If you are interested too, perhaps we host something with a bunch of people on this subject? How about a day or two at your island?? or at Harvard-MIT? or Princeton IAS? Perhaps January or early spring?
