**Subject:** so there is no misunderstanding

I have told the brads and barry, - I am done. =A0 its not a negotiation , out !! - fyi given my carlyn=C2 joslin castrucci, admonishments, - though my involvement in tho=e - in one instance only gave a name - in another only given an eil=en dictated choice btween two 250k preparers. and for castrucc=, I actually sent emails that i take no responsiblity fo= his being hired. - however you felt strongly that I should be=C2 saddled with their outcomes .even with brad wechs=er , i again said two months in, Leon, he doesnt get it. I te=l you this so that you will understand that I will not interview, r=commend or vet any new hire.

A story - In 1993 trump and = had a friend that kept telling his pilots how to fly , and when to =ly , he couldnt help himself from hiring morons as co pilots, =nd maintenance people based on cheapest rates. Donald and I tried and trie= to talk some sense into him, to no avail. Donald and I=were in aspen, sitting at little nells. when the friends plane crash=d into the side of aspen mountain , klliing him and all on boa=d, - Trump looked at me and said without a blink , I guess NOW =e wishes he would have listened to us.- a metaphor for your office. = . had we not waited to the very last hour h=ving had a six month window and tens of unanswered text and emails r= decisions needed including the 1031. you would have sav=d way more than you often feel obliged to argue about. . =silly but i realize you are stressed.

Barry w=ll need to sit with brad for months, to absorb all the co's , st=uctures. cash flow, financial statements etc. =I will present barry my thoughts on the overall redo , it will=be the exact same email that i presented to you and brad two y=ars.ago . accurate numbers first. and foremost. . ( last week=C2 gaming report stil funky). IT etc I pointed =ut some of the more glaring errors to barry to give him a flavor of what i= to come.

=uesday if you like we should discuss Giacometti , and pesner .=C2 difficult to finesse him if they are filing docum=nts that you won't . these ridiculous conversations with t=ns of people on the phone , removes any claim you might have to not =e considered a WILLFUL NON-FILER . ( after youve been told by attnys=and pwc that you should file in writing , you have NO choice ) .. =C2 worst possible result - including serious penalties up t=e kazoo.

=C2
