Jeffrey,

should I send this to Husham only? he still hasn't answered our question of borescope, Manny is ready to launch his guys, Husham only gives Etihad Mx information, trying to sway us to committing to their prebuy location. or should I wait?

Greetings Husham,

what is your final stance on whether we can accomplish Borescope in Abu Dhabi?

we are in position to send our Borescope team to Abu Dhabi to accomplish borescope on all 3 BBJ engines in question and apu, if you approve?

as my boss has stated, it will assist in expediting Prebuy and finalizing contract, this shouldn't impact Prebuy location.

please advise?

thank you,

Larry
