Jeffrey,

I was going to say you didn't call the Governor to set up the =eeting. He followed the issue in the media and reached out to you. =hat's how I understood it when we spoke on the island, but I =asn't a 100% sure. If that is the case, it might be beneficial if =he Governor states that at the beginning of the meeting so these guys =on't think you are running to him every time you have a problem =ith them. Additionally, I think we maneuvered them into stating we =ould ask the Commissioner to reconsider the 45 feet height restriction =n the flagpole, particularly since the permit hasn't been fully =executed as yet. It is clear to me the section referenced to limit the =eight appears to refer to attachments on a building than a freestanding =ole. Hopefully the Commissioner can prevail with that. If not, go to =and Use & Appeals.
