I know the designer an= she told me she will let me know tonight if she can hire me. I can also h=lp her in the showroom and in the design lab which is amazing because they=have a huge basement under the store with all the tailoress working on tho=sand of different fabrics like in the old times, all made by hand. The sto=e is very beautiful, they only have one in Milan but what they do is amazi=g to me because it is one of the only brands that still manage to mantain =he quality for each piece that they make choosing from the best materials.=I think I can learn a lot there and I love what she does
