as you might guess , If i feel a sneeze coming on , I ask =or a legal advice. What john woods ericka, and amy say, contra=ict some of the contentions. I have no relevant view. ( =ot my expertise )  
ie 1 the moorings that they refe=ence , were there for years before i bought the island. 2. i d= not need permisiion to land my helicopter on my own property. . =A0 3 some of the issues raised rellate to things that were don= before the settlement agreement therefore covered by the fine. =A0 4 the height of the flagpole according to john woods head o= land use appeals , is not limited to 45 feet, and he said they just=had two cases of communication towers , same exact =issue, same zoning . so he can not see a justification for once agai= limiting the height . thanks for you time. =C2 . happy to see you, and talk legistaltion. ,=much more interesting and a better use of our limited time.
