you are great. the application doe= not really reflect who you are and what you can do. =A0 the difficulty for the admisssions group is to =e able to distinguish you from others. at the interview you s=ould bring up the issue. and we should have a good=story to tell around it. the grade cal=lulator that you sent , is a generic . =each school has their own weighting algorigh.m. =C2 we call it grading on a curve. t=e fact thtat you are intl helps alot. as they want diver=ity. and you are the best candidate in=my opinion
