I don't think ther= is a scale or topo problem... perhaps the ladies residences could be a cou=le feet less high but it's close to what it will be.

Look at the elevation of the existing houses; they are arou=d the 35' elevation marker.

Of course the r=w model looks like a cheap development because there are no finishes or veg=tation but right now all we need to define is size, location and elevation a=d verify views, winds, sun...
