yeah, but that was a smart move -- made him look pre=idential. everything he has done so far suggests to me he is going to do w=at you told me months ago: appoint competent people beneath him who he tru=ts AND who will not fuck things up. Christie was not one of those people.=C2◆

Any furth=r intel on Treasury? Priebus choice suggests to me that he may go for a bi=ger name in treasury than Mnuchin. Someone to underscore/push forward this=notion that he is Reagan 2.0 (as some are suggesting). I am just not sure =ho that person would be. The Trump trade certainly seems to have legs -- a=l the Hillary loving hedgies I am talking to are congratulating themselves=for making so much money last week. They are all Trump lovers now! </=iv>
