Leon,=C2 Congragulations on biting the bullet. =C2 at least 18 months late , but I m encouraged and glad fo= you. . There is a HUGE amount of work to be done in the next = months. mostly the exact same work that i outlined in my emai= of 2 years ago. ( you can send it again if you like ) . =A0 Brad wechsler is a dope. . sorry, I have been saying he sa=e thing for a long time. he was a not a step up from eileen but a st=p sideways. in the begiging there was eileen and Tom and=ralph lerner. all your hand picks. then brad. =A0 john, joe. and threee others that i never met. . =A0 joslin was chosen from apool of 2 peopl. each that would be limit=d by a salary of 250k. I did say hire both lisa to do the book=eoing and joslin tax, He complained for over a year , r= his direction by eileen and ada , and then brad. His breakdown= was not a surprise after months and moths of warnings. though=disabled he ran your office this year. with john and joe. He ran amo=, and as i told you he reminded me in most of our conversation= that you told him that he works for you and not for me and th=t brad needs to see everything becuase he pays him .

I have taken he=t for years over the fact that i gave you no more than carlyns=name, . no follow up questions no interactions , not eve= a single question ( that was eilleen \_) but somehow ca=lyns fuck up was my doing. . when i to=d you that i thought eileen wasnt up to the task, you ybellowed that=i was talking out of both sides of my mouth. . =A0 You told me this year , that by tryhing to protect you from crazy josli=, I had in essence fired him and it was my responsibility to do=his work. it then turns out that he didnt consider himps=If fired at all just received less money. and continued=C2 to make a really complex mess. . Joshn castrucci, =as also my doing , though email after email said , I take no repsonsoiity =or him, i think you shouldbt hire him, , your respoinsre was th=t was only beacuse i didnt trust him. last jan you told me he =as gone. however he too is still there, and a wast= of money and space.

=A0 My time is complicated by donalds potentially e=iserating any reason to have the foreign funds repatriation plan tha=i had put together. . however as you are aware I have s=me pretty severe decisions to make re my time in the next year or two. =A0 so at least for a few weeks I am unable to commit much time =and make any future plans to redo your procrastiantion produced mess=

That being said , =A0 the tasks at hand are the following.

You have a ball of string=that your retarded children have formed , It has to be carefully unw=und , even the subsitution of barry for your next trustee, nee=s careful focus on procedure.s THis is no easy task. . =C2 org charts. books , balance sheets . trust valuations. a=e all a part.

a re fresh of your estate plan . . =A0 clats , trust. partnerships. grats. llcs.=C2 bank accounts , filing reuirements. etc. A long ov=rdue review of the brh tra and shareholers agreement to see how they fit i=to new plan. . XXXXX planning.=C2 art partnership engagment .. , airplane re-do. , buying anothe=. . ? boat sale , miami sale. . TRADING

ACCOUNTS. . =A0 three years over due. . an accounti=g system. fire john .. joslin stays for a year. or=so. so does tom. Im not sure wechsler is smart enough to=be a trustee, so it would be nice if you had an alternative. =C2 I would love your son josh to do it. if i can figure it out fo= tax purposes. Sell Artspace and shut down regan arts.=C2 . rationalize. cash flow reporting. cash mgmt. sto=k sales. sec irs. gaming. foreign reporting. the 8=65 mess will take months to review. . you CANNOT =C2 file unreviewed audited documents. . CANNOT> =A0 this will be very detailed work. . =ll avoidable if the call would have come to me , and we shut i= down quickly.. limiting it . or containing it. . =. you will need five new hires .as there is no one in your of=ice that is truly an A player. I have great hope in Barry as y=u know. He will need to be trained. this is an unknown f=r them moment. time issues. After 4 years of telli=g you , that you could do better than Halperin, im glad that you bel=eve barry . I take no offense in fact I take comfort in=he fact that after only one conversation with barry you are now convinced =o make a change - as long as it happens. .

I expect as a friend you will understand that

=C2 I will no longer , not for one day , w=rk on your affairs . without compensation . your unilateral idea of=C2 after care , not imposed on any professional , except me, not=paul weiss , tom, akin, , no one. is finished. though you and=I had previsoly agreed no more of that , after you decided not to pa= me per our agreement. you have email after email , in t=e begiing stating that , if you save a great deal of money, yo= wont want to pay , so limit it to 40m per year. =C2 water under the bridge

If =A0 I can find the time to work , on your project , which is not cert=in as I have said , I hope you undertstand that it now will ha=e to be under my standard terms and conditions. I never want t= have any more uncomforatble money moments with you , I =ind it supremently distasteful. . so to be clear ,=my terms are as follows . I will only work for the=usual 40 million per year. It needs to be paid, 25 million upo= signing an agreeemnt . 5 milion every 2 months thereafter for 6 mon=hs . I will immediatly stop work , if the payment is not recei=ed. you will be left with a new estate plan a runn=ng office. a tax plan . and an investment that returns more than any=painting you could possible own. . no agreement =A0 no work. though I of course will talk to barry for the hour that = promised .
