Jeffrey

Current seating in The BBJ is 22 passengers,

I'd like to reduce this to 19 passenger seatbelts, this would allow me, FAR91 deviation operations as oppose to FAR125., which is highly restrictive for Pilot duty hours, crew rest area mandatory on aircraft with 12hours or more range, forcing us to carry 3rd crew member etc.,

Pls confirm 19 seat-belts is OK?

Thx
Larry
