Dear Ehud,

I got the most recent Board repo=t, thank you.

On the whole, seemed quite posit=ve, well done on keeping the momentum!

And great to see CEO move to NY.=o:p>

Couple of requests and thoughts◆=80◆

1. &nb=p; Can you send me the c=nvertible note terms please and the agreement itself, I never got this=/o:p>
2. &nb=p; When do you envisage=the advisory committee commencing?

On reading the report a couple o= ideas struck me, which I think are worth considering...</=pan>

1. &nb=p; For improving daily/=onthly usage – have you considered a feature ranking the top 10 cli=s/stories from today, this week, this month, all time, etc. Will appeal to p=ople's fascination and reinforce the benefit of Reporty.

2. &nb=p; In targeting tourist= – I think the airlines could be a very effective partner for us, h=s this been considered?

Best,

Nicole
