some of the initial questions will seem simplistic. MBS asked that i see the details of the proposed economic development area. legal structure, residency permits etc. With regard to the ministers=he wanted me to coordinate with , for a first very preliminary overview. I would like to see for EACH org structure, . we will be proposing new legal structures. so justice etc. \ for the PIF . and economic development council and central bank. the following . top org chart top thirty people and their positions. the five top goals for each of those goals= the five things they are doing to achieve each , and the five things= that are the biggest problems. so for=each there will be 50 responses. 5 goals a total of 25 positive and 25 negative issues for each minister =lets start there !!
