attached below is photo of Cognac color that would be =secondary Hide (instead of original desire of dark bourbon)  
Secondary hide leather will be on top of doors and =ash We will receive a credit of 11,312.90 if you =re ok with Cognac If  
you want to stick with Dark =ourbon it will delay car delivery and additional 3 months I am told production will begin  
end of year and cars to be =elivered end of Q1 2017

Interior colour: =utumn (can be seen on link below) Secondary hide: Cognac (can be seen on link and in =hoto)
