you are great. the application does not really reflect who you are and what you can do. =A0  
the difficulty for the admissions group is to be able to distinguish you from others. at the interview you should bring  
up the issue. and we should have a good story to tell around it. =C2 the grade calculator that you sent , is a  
generic . each school has their own weighting=C2 algorithm. we call it grading on a curve. =C2 the fact that you  
are intl helps a lot. =A0 as they want diversity. and you are the best candidate in my opinion
