m suggestion is to become the Financial Confid=nt to the Prince /court / Ks.a whatever entity suits you =A0

I would welcome the opportunity to be a, if n=t the , major contributor to the financial structuring of =A0the vision. I am neither political. or military or spooky. =C2 I am happy to represent KSA interests. period. I know how wall street will try to=play.and I am happy and privileged to act as his f=nancial bodyguard.

I wo=ld need to review all financial components MYSELF. =A0 ministers consultants etc . the vision =s in definite need of a financial architect =A0 otherwise instead of a beautiful palace it will look like a =edouin village. It will take a few months to make myself awa=e of the needs and current conditions.

I would request a 30 minute skype or meeting every two weeks with the Prince. .=C2

Raafat I have no intention of having t= be someplace at a set time. I no longer work for anyone who believe= they can require me to be someplace of their chosing I cher=sh my freedom and my friends. It is my ideas that are valuable =A0, not the location of my body. :)

I know it=is strange , but I do not want any money at all for the first=year. zero. if agreed my firm could be reimburs=d only for direct expenses travel etc. =C2 I of course would agree to never take commission fees , compens=tion in any form from any third party or participant. I want =he understanding between you , your boss and I to be pure. =A0 my guidance will make a great deal of money for many people= At the end of the first year , the prince can decide =hether to pay any amount to my firm that he sees fit . no nego=iation he chooses the amount .

=A0 i will need to see the org chart for the pif. . a detailed summary of the finan=ial operations. central bank, royal purse. ? (th= queen had the keeper of the privy purse) . the legal structures =C2 for the university that Khalid spoke about , and a=list of the best 6 people with an overall working knowledge of KSA finance=
