Jeffrey,

These are the dock designs. I would like=him to extend the dock in Christmas Cove to a depth of 15ft. and the=dock across from LSJ to 9ft. This makes both longer which will make =hem move expensive, but this gives us a lot of clearance and little chance=to have any bottom disturbance. Can I have him change them? It=will only take him a couple of cays and I can finish things up knowing he&=39;s doing that.
