Good=Afternoon Anna,

Please see attached statem=nt of account. Work is close to completion. We expect to have e=erything wrapped up by 9/16.

We will have a= additional invoice for fuel disposal - we will send this over this week. &=nbsp;We checked into polishing the existing fuel, but it is not cost effecti=e or worth the risk of contaminating the new tanks.

=br>LSJ or Subbase will need to order and arrange delivery of 200 gall=ns of fuel - please let us know if you would like us to handle this. =f your prefer to order it, just let us know and we can tell you when we are=ready for delivery.

Thank you!
