She says, "It's in the mud."

He reaches down, and fiddles around a bit.

Then he says, "Now is it in you, or is it in the mud?"

The bartender says, "Y-y-you want another one, m-m-mister?"

The guy says, "Are you kidding? I gotta get out of here. Big Red's coming."

A kid goes to pick up his blind date, and when he gets there, he finds out she has no arms and no legs. But he's a good sport, so he puts her in the car, takes her to a movie. When the movie's over, he puts her back in the car.

When he gets in his side of the car, she says, "Have you got any rope with you?"

He says, "Yeah, I got some in the trunk."

She says, "You know where that big oak is, the one with the low limb, down in the dark corner of the park?"

He says, "Yeah."

She says, "Why don't you take us there?"

And he agrees, because it helps the joke.

When they get there, she has him undress her, and then she gives him explicit instructions how to use the rope to suspend her from the limb, and they proceed to have incredibly wild sex. When they get done, he takes her home, carries her inside and puts her on the couch.

As he's leaving, her father meets him at the door and says, "Here, son."

The kid looks down and her father's handing him five hundred dollars.

Her father says, "Please take this."

The kid says, "I can't take that, sir."

Her father says, "Please, son, I appreciate what you did tonight. Take the money."

The kid says, "Sir, I can't take the money. You see, I-I had sex with your daughter."

Her father says, "Of course you did. But at least you didn't leave her hanging from that fucking tree."
