Hi Jeffrey - only 20 left to signwould LOVE Help with Mort - docs attachedLOVE YOU !

There is no need to pay anything if he doesn't use the club. He can take the tax write-off – there's no downside.

He can suspend membership until something in his life changes or someone chooses to take advantage of the club – his spouse, significant other, colleague, friend, child, etc. At that time, all FM benefits, preferred rates, discounts and stipends will be provided to him or anyone he designates.

Some Founders have used their membership to benefit their favorite charity or turned it into a corp membership or sold it or allowed us to sell it on their behalf. A lot of the FMs are already using their \$5K annual stipend (from their total \$50 K stipend) for holiday parties or corporate gifts.

ALL HE NEEDS TO DO IS SIGN THE RELEASE.
