Ok. They are pretty great tables, especially in those lengths I was happy to find such great teak tables. You can let me know sizes or if you have plans I could look over what you would need. I have been going to Bali for 18 years for Necker and other clients and am tuned in to unique vendors off the main street side. If you need me to see things in person I will be going to Mosquito next week until Dec 12 if you are anywhere near.

Best,
