hey jeff

saw you online in gmail, and then saw an article about OpenCog. Neat stu=f.

things going quite well for me. continuing to write papers (see attached=, and my new company focusing on at-risk kids is going very very well. = have developed some software that is already in use in about 20 schools (= few thousand kids), and targets the 6+ million kids in this country on IE=s.

it would be fun at some point to hear=more about the gaming, as it is equally an interest of mine, especially wi=h respect to brain training.

hope you are well.

cheers
