That is nice. Thank you. It could be send to my paypal account
███████████████████ or directly to my business bank account (I don't have personal account only business).

I didn't yet mentioned, that I got ██████████ and we are planning to sign the agreement with immigration lawyer anytime soon.
So, it it is possible to send the money to my husband if that would be more convenient.

Please, let me know which option would you prefer and I will provide you more information if needed.

Thank you again!
