Jeffrey, thinking back through dialogs with Carlyn & Elyse and looking =t some of my old notes from those dialogs that relate to our conversation =his morning I offer the following:

Regarding the issue of why turning off the income right now works is that i= would be the independent trustees turning off the income right, not Leon,=and that the 2006 Trust was drafted purposely in anticipation of this. I b=lieve this relates to the language on page 30 in the attached.

Also, Ada (from US Trust) at one point had suggested to Carlyn that we cons=der having the trustees turn of the income right in the 2006 Trust and the= decant the assets from the 2006 Trust into a new trust before proceeding =ith the Art Partnership to insure a cleaner transaction.

Also, on the subject of the 2006 Trust and other trust paying their own tax=s-important implication for Black Family Partners would be that we no long=r have a single taxpayer.

Best,
Eileen
