Good evenig!! How are you?

I just got message from [REDACTED] that I should find another place to stay because I'm not polite.. I'm very sorry! I didn't think that I was acting bad,=and that I dont write you is because I know you are very busy with all meetings, didn't want to disturb you with my messages.. As i know that a lot of people don't like it! Didn't want to be annoying...

But You know how thankfull I am to you! And monday when you said to me just don't worry about it- i understood that you don't want me to keep repeating i=... I was wrong probably..

The fact that I didn't come to visit-is because agency made me so busy doing=test shootings and castings, had a job one day too. Was all week all day ou= running, also today.. I'm very sorry for that.. And it's just one week pas=, that's really short time to get to know person..

And about smell of cigarettes, that's strange that it didn't go out, as the only day I smoked in was last sunday, never again after i was told about it..=Will get a spray for it, but I heared about it only yesterday, couldnt get it so fast!

I respect you a lot and am very thankfull for you being so generous!

And I understand if you want me to move out..

Very sorry again, feel really bad for this misunderstood..

Wishing all the best..
