I reviewed attached bid with Anthony and we both =greed that bid was overpriced by 40-50%
Some of the highlights of =ur converstation were as follows:

Cost of work =efore above profit: 517,332

Profit Numbers in =id:

Insurance (3%) 21,900

General =onditions (12%) =/span>85,510

Profit (17%) =nbsp;104,300

Total of above 3 =tems =/span>211,710 (41% markup on cost of work =elow)

Total Bid: =/span>729,042

Examples of specific work =ncluded in base bid of 517,332 that are already marked =p

a) individual apartments have 5,500 budgeted =or three GE appliances that should cost 50% of that

b) =all ac units are being billed at 1000 each which cost 500 at =ost

Contract Exclusions that are =mproper:

a) owner supplied subs are subject to coordination =ee

b) skim coating of existing walls not =ncluded

c) closet doors considered hollow =ood

Please advise on how to =roceed
