hate letters pouring in off the Reuters piece

one of which i answered as you saw

but in a day or two the Guardian will come out with a lengthier piece in which they tried to trap me and succeeded in good part because it was Sunday and i was already enjoying myself

the key are the 14 to 15 year old girls—i am a sexual pervert because i say they are now of a reproductive age?

i do hope there is no legal jeopardy for you in this new flurry of activity

and my heart goes out to you brother

being called a sexual pervert is no fun

less so if you have served time for the crime

as i have not—they are calling me one merely for not urging your death by beheading

will be back in touch

hope you are fine and more than well protected
