Jeffrey,

I'm still waiting sub woofer car stereo person to arrive at GIV, I informed Eric I want different Subs. I told Eric no payment until this is resolved! His final invoice is attached.

If you elect to leave GIV with Eric new camera can be completed by Oct 7th, according to Roth, engineering and other bull.

Its 4 days to install.

Roth says he has to provide you a quote for camera install, we've been waiting for this since sept 7th, when he first realized the replacement camera would not work.

Thx
Larry
