Subject: I understand you are confused,... please don't call me

I understand you are confused,... please don't =all me a liar, when you say you are going to tell me a story and =on't, is that a lie,, you tell me you will dance,,and don't., =s that a lie,, you tell me you will do fun sex things, and don't is =hat a lie... no i don't think so... I tried to tell you that =he process the other night (pee included) is a good metaphor for =y frustration... As opposed to you saying JEffrey , i don't want to =ance , but i love you and will try.. so that there is a real =ffort, would have been very much appreciated,, instead it's no. =o. no. i don't care what you want.. i'm not doing it.... the =rustration and the stress that accompanies these actions is =ifficult for me to take at this time,I have told you when you were =n eu\rope ,with regard working out.. please don't tell me =hat see what i have done... my prioirites have been clear =ou return from europe as if nothing had happened..

you expect me to =gnore all that has gone before...I have previoulsy asked you =o accept there are consequences for you actions,,,, you choose to =gnore this advice,, YOu talk about doing something special with =ana,,,, did you =explain to her why you left paris, as everyone was =lear including her that you hated her.. you come back, and expect =er to be helpful.... with no explanation,,, THERE =RE CONSEQUENCES,,,,,,When I send you an e-mail =hat illustrates the fact tha after asking you to learn how to =ake breakfast for over a year,, you tell me you spent time =iht lance and Mark... Lance has worked for me , for four =oths,,, you have spent less than an hour,, with him...The issue of =rust runs both ways WHY should i trust you, how many times since you =now me that I said i would do something for you , and didn't., =ow many months have you told me something that is totally under your =ontrol and turns out not to be true... What you will find out , and =ould have seen if you were not- so self absorbed , was that I was =ery ill.. I almost fainted today,,I needed oxygen Ghislaine came to =elp, I didn't want to worry you or involve you , as my testosterone =evels, can't handle the stress, YOu don't ask me how I am,, you ask =e why I didn't call....you should be ashamed of yourself... =br>
