Not that bad. But he was talking for about 10 minutes about... MEATBALLS! An= it was after he realized that I had no interest in food whatsoever... Seem= not that stupid, harvard degree in neuroscience. would not stop talking fo= a minute - I know everything about meatballs now...

Funny - he was telling me that people with many differences make stronger co=ples. For instance, he said he would never date anyone too similar to him. I=replied that sadly, I had never met anyone too similar to me:))

Anyway, might see him again. Will tell Nikki that Jen should also meet him = Envoyé de mon iPhone=?xml version=.0" encoding=TF-8"?> <!DOCTYPE plist PUBLIC "-//Apple//DTD PLIST 1.0//EN" "http://www.apple.com/DTDs/PropertyList-1.0.dtd">
