attached is scaffolding quote obtained from york =caffold that rich barnett obtained quote was for 14,800 for 56 days = when i questioned rich b why it was 56 days he says that is the =inimum

i asked richard to get another quote =nd his response was that all scaffolding companies are very busy =ow.. i abruptly told him that answer does not work and if he =oes not want to obtain quote i will do on my =wn

after a few calls and about 30 minutes of =y time i found a company that is currently formalizing their quote =owever it is approximately 8,000

i am =ery frustrated on why i continously hear reasons why things cannot be =one rather than taking the time to give you what you deserve which is =00% effort
