I spoke with Membership Services this morning and learned the following:

- 1) Currently they are operating in 5 cities: San Fran, LA (van nuys airport used), Vegas, NY & Miami (LA to NY flights are typically on a Citation 10 which has 8 captains chairs = time slots for this trip are 7-10am or 4-7pm)
- 2) All flights must be booked 2 full business days in advance and final details =n exact departure time and tail are provided the day =before
- 3) Regarding May 1st LA to NY - must be booked by Friday April 26th however i am told that this trip is not possible as it takes approximately 7-10 business days to process new members (they have =00 applications in house to process)
- 4) I asked if you could =o trip on William Spear membership I was told that at least 1 member =ust be on flight at all times
- 5) Annual Membership Fee =2,500.00 - not charged until first seat is booked (based on that and =00 apps in system it may pay to sign up so everything is in place for =ext time you may want to use)
- 6) NY to Miami is usually on a Hawker 400/800 or Lear 60
- 7) All flights are non stop and all =eats are captains chairs
- 8) All flights have an enclosed and =private lavatory
- 9) Cancellation is allowed up to 3 days =before flight
- 10) Blackjet does not own or operate aircraft as =ll flights are professional air charter operations
