Good Morning Mr. Epstein;

=span class="">I met again with Heather, the yacht stewardess, that I would like to consider for the head of housekeeping position. My thought is=to do a trial period for the month of May and see how the dynamic works ou=.

She is requesting \$3250 per month with housing or=\$4250 living ashore. She is currently living with her father on his sailboat in St. Thomas.

Would you consider a trial for the month of May? That would give her some time with the girls before your arrival and then a couple of weeks with guests.

Please let me know your thoughts.

<=iv>Thank you,

Stephanie
