Lesley,

Dean has asked me to prepare a package of materials regarding DEKA's Stirling engine to send to Mr. Epstein. Because DEKA is working with a partner and some of the materials were prepared by DEKA's partner and thus subject to a Non-Disclosure Agreement, it would be very helpful if Mr. Epstein could sign the attached Non-Disclosure Agreement. Upon receiving confirmation of his willingness to do so, I can send the materials.

Please do not hesitate to contact me on my cell phone [REDACTED] should you or Mr. Epstein have any questions.

Best regards,
