[REDACTED] had some Honey Drop teas and drinks dropped off at the house for [REDACTED]. The company approached [REDACTED], who used to be with Red Bull and said they are currently looking to sell 51% of the company. I tried the Lemon Ginger one this morning and thought you would like [REDACTED].. they are all sweetened with honey and have minimal natural ingredients. I know you're always looking for new yummy drinks and these [REDACTED] seemed pretty good.. let me know what you think!
