Dear Jeffrey

The son of a very good friend of mine, Jonathan Friedlander, is trying to find his professional future !

He is clever, nice and quite brilliant and not so far from yours interests.

May I ask you to meet him, for a talk, it could help him, and I dare to think you should not be bored.

If that is the thing you do not like tell me frankly, there is no problem

He can come to see you anytime in NY

Thanks for your help but please feel free

With my best regards

jean
