Greetin=s Pete,

I am trying to get a shipping quote for the door= and accessories. Can you tell me an estimated size - height, length,=width and weight - for these doors and accessories when crated/packed? = And can you tell me the Country of Origin for the accessories - I presume t=e doors are made in the USA.

Kind regards, D=phne

Sorry for the delay, I took last week off and now tryin= to catch up.  
Here is the revised quote on the special-Lite doors= frames & hardware.  
I eliminated all the panic devices and mu=lions as we discussed and included cylindrical lever locks and  
flushbolts o= the inactive doors.

Thank you for your patience  
Have a=great day!
