Hi Karyna,

I am sorry for my delayed response in getting some of=these images and prices to you.

As for the large life-size sculpture of the man, the a=tist Matthew White is asking for \$5,000. If Jeffrey is interested in c=mmissioning a life-size piece, then it would also be \$5,000.

As for the little sculpture by Daniela Izaguirre, I h=ve attached two images of the work. It is priced at \$850.=/p>

I have also attached a price list for Rachel Sard's=works. The only painting that is not available is the mushroom painting.

Please let me know if you and Jeffrey are still inter=sted.

Best,

Heidi
