=div class="gmail\_default" style="font-size:small">Attached photo's=and estimates for the Humidification of the Master Bedroom Dressing Rooms =nd Bath room for your consideration

It is my understanding that Rich has spoken to you regarding th= proposed install.  
I wish to confirm why I am proposing the install of a humidifica=ion unit for these areas

Installation/Material Cost: \$1917.71  
Total \$5529.71

The original build did not include Humidificat=on to the Master Bath or Dressing Room, In proceeding with this install the entire =aster Bedroom Suite would be humidified. This would help protect the finis=es in the dressing room ands master bathroom from cracking.

Do you wish to proceed?

regards
