Jeffrey Epstein! You don't even fit in frames of literary image. How=do you fo that? I don't know which cosmic universal cannon shot in =our mind, that you ARE such a great and sweet. I always warm up myself wit= the thoughts of you. Bring on your light, stay tuned, feel love vibration= :D Happy Birthday! big one way eternal kiss.

P.s. I give you as a present my summer photowork , an uzbek grandparent =babai) is sitting near the river and thinking . No photo editing. I ask yo=r attention for his numerous eyes and sweet right ear, yes, we , uzbeks, o=ten overthink.

Love you.
