♦=9F♦♦😊😊

We only have a few more hours to show our love for the children of Nepal and at the same=time double our impact on their lives through matching.

This #GivingTuesday&=nbsp;I hope that you'll join me in bringing hope to the children of Nepal=2C who this April lost their schools and homes. Why do they need help? The destructive earthquake destroyed </=pan>5000 schools and many children right now are studyin= in extremely dangerous=structures with partial=walls that threaten to collapse at any moment, especially because of th= ongoing aftershocks. Students and teachers are afraid to study a=d teach in these structure=. If we don't take actions to rebuild, these children will be=nbs;forgotten and won't be able to study for </=pan>6 or more years.

EACH dollar you donate will be generously matched by our=amazing #GivingTuesday partners, Lexington Partners.=So let's come together to rebuild safe, resilient schools for=these children and make sure that they are not forgotten. Let's be the change these children need!=/strong>
