Please find the requested data. As you can imagine th=se markets continue to slide and we are likely to see more price drops and G=50 deliveries inch closer to 200 aircraft. I track these market= very closely and I feel the data is pretty accurate.

Hi Sean

Jeffrey has a friend that's interested in GV and G550,, he's going to have him call you direct,, in the mean time JE asked if you could send GV and G550 current available and recent sales if you have handy.,? Or any info you might know that would be useful,, Its a long foreign name, JE said it so fast, I missed it completely,.

Hope all is well with you,,=br>

Take care

Larry
