Hi Everyone,

I apologize for the delay i= response. As Brice knows, I recently had a death in the family and had to a=tend to that. I want to thank you for your patience. As for Jeff's Sony products for his ranch, I've attached my=product proposal. As it turns out, the release of the 4K Projector has been=pushed back to mid-December to end of month. As discussed with Brice during=our conversation today, I have been diligently working with our projector managers in putting an urgency on this order. It=is highly recommended that we proceed with the order as soon as possible so=that Jeff's priority will be placed on a high level. Let me know yo=r thoughts on the Sony projector and AV components :) I look forward to hearing f=om you soon!

Best,
Celeste
