Good afternoon Jeffrey,

The pleated shade manufacturer stated that they require 6 business days =does not include removal, shipping to/from and =einstallation.

They believe that the problem was that they painted the outboard side of =he shades black (which we requested) but they have never done =his. Obviously they did not feel that it would be a problem in =ny way, but they admitted they were wrong.

The new shades would be the exact same on the inside and the standard =eutral color on the outside.

Eric
