**Attachments:** LSJ 9 shades quote group d material automated shades [1].pdf; LSJ 9 shade quotes 95%-5% seesaw [1].pdf; LSJ 9 shades quote 95%-5% northsolar[1].pdf; LSJ 9 shades quote 97%-3% northsolar[1].pdf

Mr. Epstein,

Per your request 4 estimates are attached for 9 shades for L=J compound.

All estimates include the shades, motors, tracks and remotes. Estimated=shipping costs are included too.

One estimate is for the most sturdy material, Group D, for wind =nd allows the least amount of light in (includes a w=ll switch as well as a remote):

Price: \$24,476.40

Two estimates are for shades have 5% openness, blocking 95% of UV:<=R>

Prices: \$28,569.00 and \$22,050.70

One estimate is for the sample you liked the color you selected Satu=day. It is a tighter weave with only 3% openness vs 5%, blocking 97% of U=:

Price: \$25,136.80

Fabric samples for the other estimates have arrived at 9 E for your =eview.

Upon your selection of shade openness and fabric, the subject estimate(s) =ill be forwarded to Rich Kahn for further due diligence.

Best regards,

Mark

Mark Tollison
