Jeffrey,

i'm still researching my old emails to Eric in regards to stereo =nstall, this is the only one I located so far that shows Eric a \$599.00 JL=subwoofer that Audio Advisors offered,. JL Audio also carry class&nbs=; A/B AMPS,.

Subject: GIV stereo ideas

I thought i'd research the 12VDC car sy=tems to compare,.

Subwoofer:

JL Audio has a 13" subwoofer that is 2.5 inches think,, the enclosure appea=s to fit behind a cabin seat, or could be installed in the credenza, I would ins=all two subs, either two in credenza or one located behind the aft facing seat =n fwd cabin, other in rear of cabin.

Control Head:

Alpine 927HD touch screen receiver with BlueTooth and Equalizer,.
