I reviewed attached bid with Anthony and we both agreed that bid was overpriced by 40-50%
Some of the highlights of our conversation were as follows:

Cost of work before above profit: 517,332

Profit Numbers in bid:

Insurance (3%) 21,900

General conditions (12%) >85,510

Profit (17%) >104,300

Total of above 3 items >211,710 (41% markup on cost of work below)

Total Bid: >729,042

Examples of specific work included in base bid of 517,332 that are already marked up

- a) individual apartments have 5,500 budgeted for three GE appliances that should cost 50% of that number
- b) all ac units are being billed at 1000 each which cost 500 at cost

Contract Exclusions that are =mproper:

- a) owner supplied subs are subject to coordination =ee
- b) skim coating of existing walls not =ncluded
- c) closet doors considered hollow =ood

Please advise on how to =roceed
