Jeffrey

Have spoken to a British writer Charles Richard who is willing to do my book for 100,000 pounds sterling. He wants half up front and the other half when the job is done. Please see the attached letter from Charles with details.

Dear Rory  
=div>

I had a very constructive discussion with Charles last Tuesday. He is easy to talk to and seems very competent to help me write the book. He has sent me a proposal (attached) which I would like you to look at and advice on the statement of responsibilities and fees. Most importantly what else needs to be considered. For example what would be the minimum or maximum pages.

Thanks for the introduction and advice.

Best regards.

Waheed.

Dear Waheed,

it was very good talking to you on Tuesday. I really think we could do a good job together--and have fun doing it.

Attached with this is my proposal and also a copy of my brief bio plus a list of skills and competencies.

Below are links to a book I wrote some 20 years ago as well as the book I mentioned about an adoption case that might be of interest to your daughter.
